

WELS CAMPUS MINISTRY

WELS Campus Ministry, a ministry of **WELS Home Missions**, provides resources, support, and encouragement to WELS congregations that serve college students around the United States and Canada. These congregations are vital in connecting college students with fellow Christians, strengthening their faith with the gospel message, and encouraging them to share that faith with other college students. The WELS Campus Ministry Committee provides **over 40 campus ministries** with financial support and assists hundreds of other congregations in their campus ministry outreach.
